 **Resolution:** 1200 ppi – 1:10 scale

 **File format:** PDF

 **Color:** CMYK - Coated FOGRA39

 flattened file (no layers),
no print marks,
no overprint attribute,
no bleeds,
do not change the size of the template ,
convert fonts to curves ,
suggested black color parameters for
backlighting: C40 M40 Y20 K100

 Remove the red and blue lines before saving the files. Leaving the line on will result in it being printed as a design element! In order to properly display the advertisement, all important elements should be inside the protective area marked with **red line**. Background and graphics must fill the entire printable area marked project marked with **blue line**. If there is no fill between the red and blue lines, a white frame will appear on the printout.

 Download and work on the graphic design template on the next page of this PDF. If there is more than one, prepare the projects in separate files.

 Guideline Label Legend:

The image shows a technical drawing of a roof trapezoid. The trapezoid is outlined in red and is centered on a white background. It has a top horizontal edge and a bottom horizontal edge, with two slanted sides. The top edge is labeled '472 x 232 [mm]'. The bottom edge is a smooth curve. Two dashed yellow lines extend from the top corners of the trapezoid towards the top edge of the drawing, representing the roof's slope. In the center of the trapezoid, the text 'roof4' is written in bold black font, followed by '472 x 232 [mm]' and 'Print adTent Air premium 6x6 (roof)' in a smaller black font.
